

A vertical banner featuring a repeating pattern of various nuts and seeds. The design is composed of several distinct elements: a whole almond, a cashew, a pistachio, a cross-section of a nut showing its internal structure, a whole walnut, a slice of a nut, and a pile of shelled almonds. These elements are arranged in a vertical sequence, creating a continuous pattern. The style is minimalist, using only black outlines and fine hatching for shading on a white background.

10th October 2024

Appetizer

Vegetable Flan with pecorino cheese fondue

First course

Pici all'aglione (thicker and rustic Tuscan hand made spaghetti with “aglione” garlic, a much sweeter, more delicate and less invasive flavored kind of garlic)

Main course

Typical Tuscan meat course (TBD)

Side dish

Oven roasted vegetables

Dessert

Bacio di Siena (traditional Siennese sweets with nougat and chocolate)

Water and wine
